Proven products that go the distance, bringing learning spaces to life

It takes many ingredients to build great learning environments, but sitting at the heart are the things you put into them, the springboards for everything else that happens and that's where we come in.

For over 60 years, Sebel have sweat the small stuff to ensure schools have the best products that do the job and go the distance.

Back in 1951, Harry Sebel believed students deserved better, so he did something about it by designing innovative durable furniture.

We still do that today. We reckon education's about as important as it gets – and we're proud to support it all the way.

Proudly Australian-made, we make most of our products in our Sydney factory. Come and visit us and you'll see the care and craftsmanship that goes into creating our iconic products that are made to last.

All our products have to prove they serve a purpose, or they don't make it off the drawing board

It's why we still produce the world's biggest selling and most comfortable classroom chair, the Postura®.

Everything we create is designed to enhance a variety of learning spaces. We do the research, listen and learn, then design the best solution for every need. We apply serious engineering and genuine craftsmanship to create flexible, comfortable, clever, durable furniture that works as a system.

We love what we do, it's in our bones and we're always happy to have a chat about what might work best for you.

So give us a call and we'll do all we can to help create genuine building blocks to great learning.

Harry Sebel was an engineering genius, perfectionist and pioneer.

His belief that students deserved better is what led us to create Australia's most iconic school chair – and it's this belief that continues to inspire us today.

sebel

Harry Sebel

We do our homework before we design

Research has always guided our product design. It's no good 'having a hunch' – we regularly talk to teachers, students and educators to understand where the issues are and what the goals look like, here and around the world.

Learning environments change; our commitment to proven products that go the distance is constant.

Sebel products are built to be robust, comfortable, good looking and functional – they're also designed for maximum flexibility and multi-modal applications.

They thoughtfully support the transitions between various modes of learning, allowing spaces to be quickly and easily transformed by teachers and students.

We're constantly listening, learning and seeking to understand where the issues are and what the learning goals look like. We design our products around those insights.

Our Research

Sebel products provide lasting value because we understand the changing environment in which they work.

The modern learning environment has become increasingly complex using new pedagogies such as flipped learning, experiential and project-based learning.

At Sebel we're on a constant journey of discovery and research to understand the role our furniture plays in the physical learning space.

We've collaborated with thousands of educators, leaders, principals, students and other stakeholders so we know it's not enough that our furniture is well researched and made to the highest quality - it also needs to be designed with flexibility and modularity in mind and support transitions between various modes of learning and allow spaces to transform quickly and easily.

We love what we do and we're always happy to help

Our talented team are here to help you select the right furniture for your spaces, within your budget and to your requirements. We're very proud of our products and we're always happy to have a chat about what might work best for you.

We have loads of customer-driven ideas and insights that you can tweak and play around with to make your own ideal learning spaces that will engage and inspire your students.

Sebel foundations for performance

Everything we design and build has to meet our five foundations to support the best learning spaces.

1

Smart Research

Finding the true insights to create the best products.

2

Serious Engineering

Scientific smarts to build products that last.

Our Quality Commitment

At Sebel, we take quality production very seriously. Proudly over-engineered, you'll find no thin moulding or cheap plastics here.

We are so serious that we have our very own independent NATA certified testing facility. You can be sure that all of our products are tried and tested to survive the toughest of environments.

We also hold certificates for various global quality standards, including:

- NATA World Recognised Accreditation
- ISO 9001 Quality Management System as a quality accredited manufacturer
- ISO 14001 Environmental Management Systems Certification

3

Genuine Craftsmanship

Skills and time to craft comfortable, good looking furniture.

4

Flexible Design

Smart design for quick and easy reconfiguration.

5

Modular Connection

A perfect fit that works as a system.

We've applied our five foundations to clever ideas for school learning spaces.

Southern Cross Catholic College

Ideas for Years K-6 Learning Spaces

Create future-focused and student-centric spaces with products that provide lasting value

The modern learning environment has become increasingly complex as educators explore what it means to be “**learner-centric**”.

At Sebel we’re on a constant journey of discovery and research to understand the role our furniture plays in the physical learning space.

We’ve collaborated with thousands of educators, leaders, principals, students and other stakeholders so we know it’s not enough that our furniture is well researched and made to the highest quality - it also needs to be designed with flexibility and modularity in mind and support transitions between the various **modes of learning**, allowing spaces to transform quickly and easily.

Our spaces are designed to support a fluid transition between content delivery, individual study, groupwork, discussion groups/presentations and back again.

Flexi Space

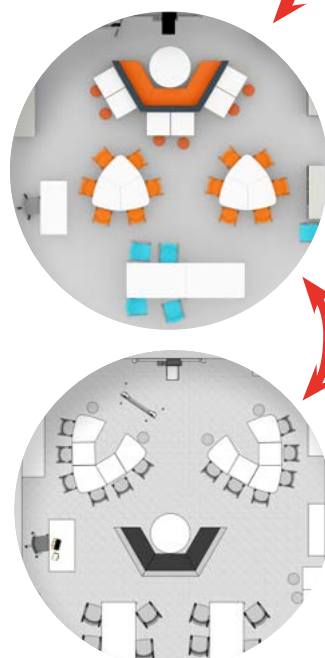

Fits 30 students (64 sqm footprint)

'Flexi Space' is the perfect space for comfort, flexibility and to maximise space. It is a fun space where the students can make it their own and choose their own space to support their needs, as well as different activities and learning modes.

The Twist'n'Lock® StingRay Tables are height adjustable allowing you to adjust the tables as needed for different activities and are suitable for all K-6 students. These tables suit intensive instruction and can be reconfigured to create a curved demonstration space and even group work settings.

We'll help you create your perfect space

Make the space your own by choosing bright and playful colours, writeable tops or choose softer tones.

Creating the space:

- 1 Create-A-Space Benches x 2
[1500mm(W) x 900mm(D) x 900mm(H) OR 955mm(H)]
- 2 Postura® Plus Stools x 8
[Seat height 650mm]
- 3 Twist'n'Lock® Height Adjustable StingRay Tables x 6
- 4 Postura Max® Chairs x 12
[Size 3]
- 5 Twist'n'Lock® Height Adjustable Square Tables x 6
- 6 Tik Tok Stools x 6
[Seat height 400mm]
- 7 Pirouette Nesting Tables x 2
[1370mm(W) x 685mm(D) x 720mm(H)]
- 8 Postura® Plus Gaslift Chair x 1
- 9 Big Softie Trap Ottomans on castors with low backrest, long edge x 3
[1500mm(W) x 600mm(D) x 720mm(H); Seat height 430mm]
- 10 Twist'n'Lock® Height Adjustable Round Table x 1
[1050mm diameter]
- 11 Mobile Tote & Storage Units, 4 bay x 3
[Huge variety of configurations available. Options shown include:
a. 24 x shallow tote trays;
b. 8 x shallow tote trays; 4 x deep tote tray;
2 x jumbo tote trays; 3 x compartments
c. 11 x compartments]

Students can make it their own and choose their preferred learning space for any given day!

Key Product

Get the real deal with our Postura®

Students won't want to sit on anything else!

When you choose a Postura®, you know you're getting the genuine item, the real deal, the fair dinkum "geez, that's clever" original.

Loved by over 11,000 schools and more than 5 million students since its creation, the Postura® is the biggest selling classroom chair in the world.

Proudly over engineered to be the best, the Postura Max® is the latest design member of the family. With 6 additional features compared to the original, the Max® is even more comfortable and ultra-durable than its ancestor.

Designed here, made here, and loved by generations of Australians

Available in practically every colour under the sun

Choose a custom colour or from our huge favourites range!

Flexible learning settings, supporting a fluid flow between learning modes!

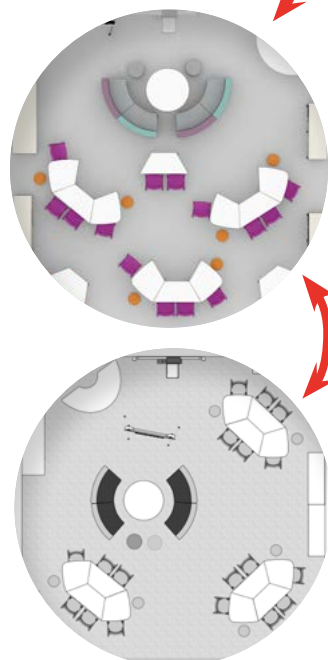

Campfire Hybrid

Fits 30 students (64 sqm footprint)

'Campfire Hybrid' utilises 2 main worksurface solutions (Twist'n'Lock® StingRay and Twist'n'Lock® Trapezoidal). Designed to work together and apart, they create flexible learning settings of varying group sizes and support a 'fluid flow' between learning modes.

A soft furnishing 'campfire' setting offers both students and teacher a destination for small groups or individual coaching.

Perfect for collaboration and intensive instruction settings for various group sizes!

Creating the space:

- 1 Twist'n'Lock® Height Adjustable StingRay Tables x 6
- 2 Twist'n'Lock® Height Adjustable Trapezoidal Tables x 6
- 3 Twist'n'Lock® Height Adjustable Round Table x 1 [1050mm diameter]
- 4 Twist'n'Lock® Height Adjustable Semi Targeted Teacher Table x 1
- 5 Postura Max® Chairs x 18 [Size 3]
- 6 Tik Tok Stools x 6 [Seat height 400mm]
- 7 Pirouette Nesting Table x 1 [1370mm(W) x 685mm(D) x 720mm(H)]
- 8 Postura® Plus Gaslift Chair x 1
- 9 Big Softie Round Ottoman on glides x 2
- 10 Big Softie Worm Ottomans on castors with low backrest, long edge x 4 [1072mm(W) x 600mm(D) x 720mm(H); Seat height 430mm]
- 11 Mobile Tote & Storage Units, 4 bay x 3 [Huge variety of configurations available. Options shown include:
a. 24 x shallow tote trays;
b. 8 x shallow tote trays; 4 x deep tote tray;
2 x jumbo tote trays; 3 x compartments
c. 11 x compartments]

Key Product

Have fun transforming your spaces and creating your ideal break out zones

Reinvent your spaces with our Big & Little Softies!

Inspired by the humble building block, our modular ottomans have been carefully designed to playfully work together in a 'system' of pieces offering the ultimate in flexibility and modularity.

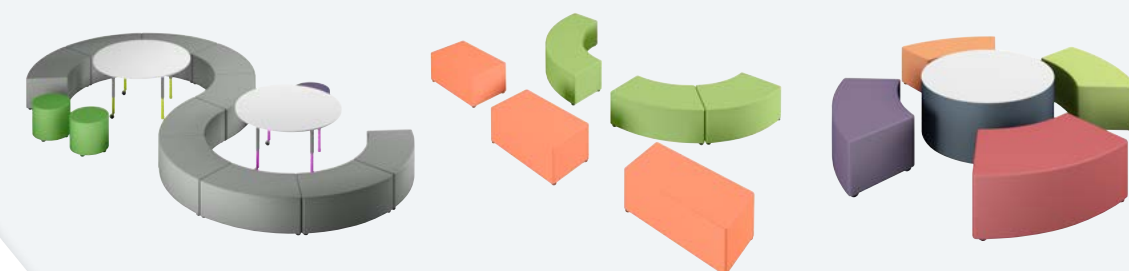

Working better together than apart, our Big Softies will really bring your spaces to life.

A clever extension of our Big Softies range, our Little Softies have been created with the littlies in mind!

Perfect for all primary school stages, they are the ideal height and size to make fun, comfortable and flexible spaces.

Does your class have a mix of students of all shapes and sizes? The Little Softies have been cleverly designed to match the depth of our Big Softies range so you can create tiers to accommodate all sizes.

Astrals add flair and flexibility to learning spaces

TIP: To make this space workable for Kindy kids, swap out the Create-A-Space Benches with our Height Adjustable Twist'n'Lock® Rectangle table. The 760mm height option is perfect standing height for the littlies!

Astral Hybrid

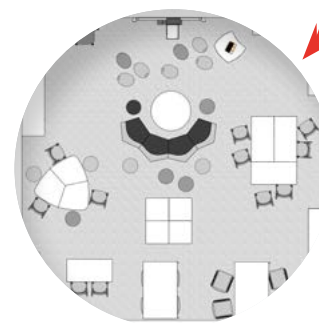

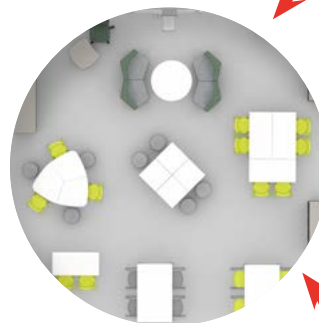

Fits 30 students (64 sqm footprint)

'Astral Hybrid' includes a smart mixture of 'fit for purpose' furniture pieces. Designed to work together, these products support an array of activities and ways of learning.

Pirouette Tables can be writeable and flippable making them perfect for dynamic creation and presentation of ideas to the class.

Astral Ottomans together with Cushpod Floor Cushions make the ideal 'campfire' setting, supporting groupwork, reflection and transitions between explicit instruction to the whole class and guided work with groups.

Create-A-Space Benches offer another postural choice for students as well as opportunities for experiential learning and enhances sightlines between student and teacher.

Creating the space:

- 1 **Twist'n'Lock® Height Adjustable StingRay Tables** x 3
- 2 **Twist'n'Lock® Height Adjustable Square Tables** x 4
- 3 **Twist'n'Lock® Height Adjustable Round Table** x 1
[1050mm diameter]
- 4 **Mobile Teachers Station** x 1
[Drawers OR Door options available]
- 5 **Postura Max® Chairs** x 11
[Size 3]
- 6 **Pirouette Nesting Tables** x 4
[1200mm(W) x 600mm(D) x 580mm(H)]
- 7 **Ergos Plus Stool with High Back** x 1
- 8 **Big Softie Round Ottoman on glides** x 2
- 9 **Little Softie Round Ottoman on glides** x 5
- 10 **Big Softie Astral Ottomans** x 4
- 11 **Create-A-Space Benches** x 2
[1500mm(W) x 900mm(D) x 900mm(H) OR 955mm(H)]
- 12 **Postura® Focus Stools** x 8
[Seat height 650mm]
- 13 **Mobile Tote & Storage Units, 4 bay** x 3
[Huge variety of configurations available. Options shown include:
a. 24 x shallow tote trays;
b. 8 x shallow tote trays; 4 x deep tote tray;
2 x jumbo tote trays; 3 x compartments
c. 11 x compartments]

Get creative with our Astrals

Perfect for breakout spaces, libraries and general learning areas

Our modular Astral Ottomans are perfect for enhancing any learning space whether it's your classroom, library, staffroom or break-out areas.

Get creative and configure in clusters for collaborative group learning or separate out for quiet thinking spaces.

Supports both individual reflection work as well as small group breakout discussions

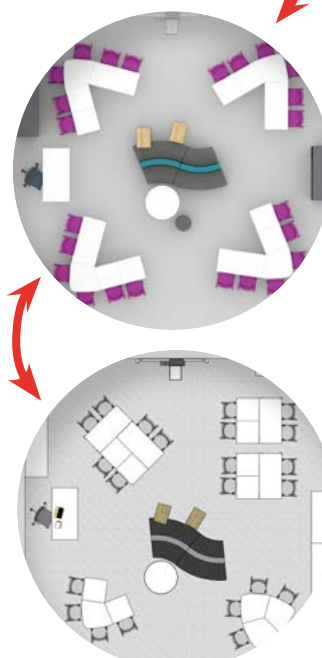

Central Focus

Fits 30 students (64 sqm footprint)

With a central breakout setting as the main focus point, 'Central Focus' is the ideal 'teacher in the round' space.

Twist'n'Lock® Height Adjustable StingRay's collaborative shape works well with Twist'n'Lock® Height Adjustable Rectangle and Square's linear form to create settings for dynamic discussion, presentation & intensive group instruction.

This space really connects the students to each other & to the teacher, enhancing engagement.

Creating the space:

- 1 Twist'n'Lock® Height Adjustable StingRay Tables x 4
- 2 Twist'n'Lock® Height Adjustable Square Tables x 8
- 3 Twist'n'Lock® Height Adjustable Rectangle Tables x 4
- 4 Twist'n'Lock® Height Adjustable Round Table x 1 [900mm diameter]
- 5 Postura Max® Chairs x 24 [Size 3]
- 6 Pirouette Nesting Table x 1 [1370mm(W) x 685mm(D) x 720mm(H)]
- 7 Postura® Plus Gaslift Chair x 1
- 8 Big Softie Round Ottoman on glides x 1
- 9 Big Softie Worm Ottomans on castors with low backrest, long edge x 2 [1072mm(W) x 600mm(D) x 720mm(H); Seat height 430mm]
- 10 Big Softie Clique Ottomans on castors x 2 [1444mm(W) x 450mm(D) x 430mm(H)]
- 11 C Shape Laptop Tables x 2
- 12 Mobile Tote & Storage Units, 4 bay x 3 [Huge variety of configurations available. Options shown include: a. 24 x shallow tote trays; b. 8 x shallow tote trays; 4 x deep tote tray; 2 x jumbo tote trays; 3 x compartments c. 11 x compartments]

Designed with modularity in mind all our Twist'n'Lock® tables work together to make great settings!

Our new and improved Version 2 design makes height adjusting for all primary stages a breeze!

Key Product

Versatility with our Twist'n'Lock® Tables

Create brilliant collaborative spaces using our cleverly designed pin-less leg table system.

Drawing from the same spirit of innovation, clever research and genuine science that gave us our start, we continue to look for ways to make our products better and smarter.

Our simple yet brilliant Twist'n'Lock® pin-less leg design has undertaken some improvements. We are pleased to launch our version 2 of Twist'n'Lock® which now has added functionality to make adjusting table heights even more simple than it sounds. Plus, they are seriously engineered (like all our products) to be ultra-durable and long lasting.

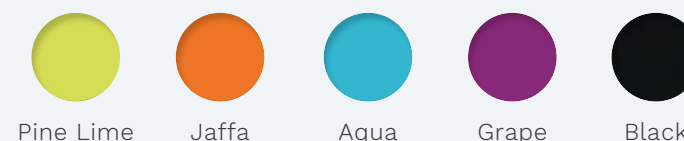

Our range includes

- Twist'n'Lock® Round Table
- Twist'n'Lock® Square Table
- Twist'n'Lock® Rectangle Table
- Twist'n'Lock® Trapezoidal Table
- Twist'n'Lock® StingRay Table
- Twist'n'Lock® Cinque Table
- Twist'n'Lock® Crescent Table
- Twist'n'Lock® Orio Table
- Twist'n'Lock® Semi Targeted Teacher Table

HEIGHT ADJUSTABLE

Tabletop available in a variety of standard laminates or writeable surface.

5 great leg colours to choose from.

Choose from Rigid Edge or Performance Edge™.

*Performance Edge™ is only available on some of our Twist'n'Lock® range. Please speak with our friendly staff for details.

Allows fluid switches between collaborative work, intensive instruction, group delivery & individual focus.

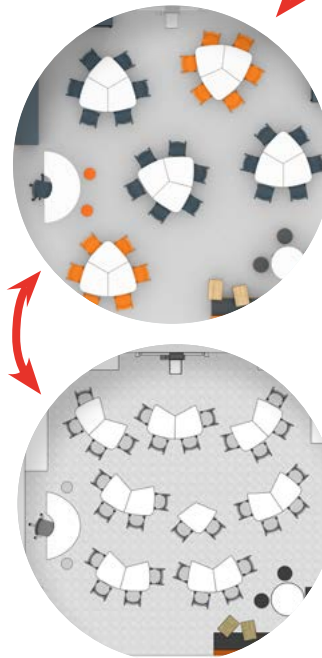

StingRay

Fits 30 students (64 sqm footprint)

'StingRay' is a highly agile space, allowing quick and easy switches between collaborative work, intensive instruction, information delivery and individual focus.

The collaborative and non-hierarchical shape of the Twist'n'Lock® Height Adjustable StingRay Tables allows students to view content easily and supports group sizes of 2, 4 & 6 with ample desk space for a large coursebook per student.

The addition of the Big Softie Bloc Breakout setting provides an environment for individual reflection/focus work and also impromptu small group discussions.

Creating the space:

- 1 Twist'n'Lock® Height Adjustable StingRay Tables x 15
- 2 Twist'n'Lock® Height Adjustable Semi Targeted Teacher Table x 1
- 3 Twist'n'Lock® Height Adjustable Round Table x 1 [900mm diameter]
- 4 Postura Max® Chairs x 30 [Size 3]
- 5 Tik Tok Stools x 2 [Seat height 400mm]
- 6 Postura® Plus Gaslift Chair x 1
- 7 Big Softie Round Ottoman on glides x 2
- 8 Big Softie Bloc Ottomans on castors with low backrest, x 2 [1800mm(W) x 600mm(D) x 720mm(H); Seat height 430mm]
- 9 C Shape Laptop Tables x 2
- 10 Mobile Tote & Storage Units, 4 bay x 3 [Huge variety of configurations available. Options shown include: a. 24 x shallow tote trays; b. 8 x shallow tote trays; 4 x deep tote tray; 2 x jumbo tote trays; 3 x compartments c. 11 x compartments]

Key Product

Create dynamic spaces with our Twist'n'Lock® StingRay Table

Twist'n'Lock® StingRay Table's collaborative shape and smart footprint creates usable space within the classroom for students and teachers. Its non-hierarchical shape supports collaboration and allows students to easily view information being delivered.

When formed in a cluster of 3, the StingRay can seat up to 6 students comfortably. Its versatile design also enables it to be set up for groups of 2-4 quickly and easily.

Highly agile, the Twist'n'Lock® Height Adjustable StingRay Table allows fluid switches between collaborative work, intensive instruction, group delivery & individual focus.

Part of the Twist'n'Lock® range, our StingRay works perfectly with our other Twist'n'Lock® Tables creating a variety of collaborative and dynamic settings to transform your spaces.

Let's Connect

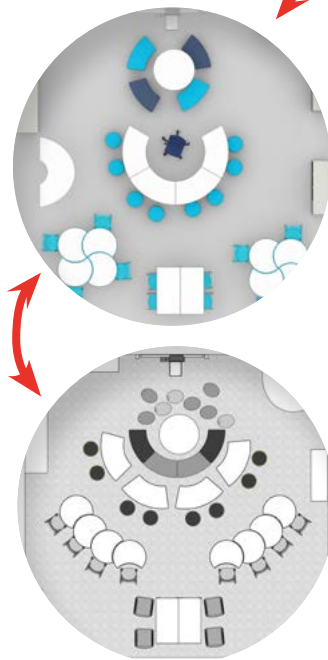

Fits 30 students (64 sqm footprint)

Ideal for Kindergarten through to Year 3, 'Let's Connect' includes a smart mixture of 'fit for purpose' furniture pieces including our Little Softies & Twist'n'Lock® Table range, supporting K-3 students ergonomically, and in an array of activities & ways of learning.

Twist'n'Lock® Height Adjustable Crescent Tables support dynamic campfire & discussion groups, whilst Twist'n'Lock® Height Adjustable Orio Tables add the flexibility for individual focus, coaching or reflection.

The flexibility of the furniture allows the teacher to quickly and easily transform the class from 'part class mentoring' to 'explicit whole class' information delivery, with minimal disruption or furniture movement.

The Mobile Tote and Storage Units offer a colourful and practical way to organise and tidy your learning environments.

Creating the space:

- 1 **Twist'n'Lock® Height Adjustable Orio Tables** x 8
[900mm diameter]
- 2 **Twist'n'Lock® Height Adjustable Rectangle Tables** x 2
[set at 760mm height option]
- 3 **Twist'n'Lock® Height Adjustable Semi Targeted Teacher Table** x 1
- 4 **Twist'n'Lock® Height Adjustable Round Table** x 1
[1050mm diameter]
- 5 **Twist'n'Lock® Height Adjustable Crescent Tables** x 4
- 6 **Postura Max® Chairs** x 8
[Size 3]
- 7 **Postura® Focus Stools** x 4
[Seat height 500mm]
- 8 **Postura® Plus Gaslift Chair** x 1
- 9 **Little Softie Round Ottomans on glides** x 8
- 10 **Little Softie Worm Ottomans** x 4
[956mm(W) x 450mm(D) x 350mm(H)]
- 11 **Mobile Tote & Storage Units, 4 bay x 3**
[Huge variety of configurations available. Options shown include:
a. 24 x shallow tote trays;
b. 8 x shallow tote trays; 4 x deep tote tray;
2 x jumbo tote trays; 3 x compartments
c. 11 x compartments]

Key Product

Organise your learning spaces with our Mobile Tote and Storage Units

EASY TO MOVE

With space at a premium and increasing complexity within learning environments, our practical and adaptable storage systems are more important than ever!

Our Mobile Tote and Storage Units can be arranged and rearranged again and again for teaching materials, personal storage and bag storage.

Available in a range of standard laminates and tote tray colours.

A colourful and practical way to organise and tidy your learning environments

HUGE VARIETY OF CONFIGURATIONS AVAILABLE

Stagepoint

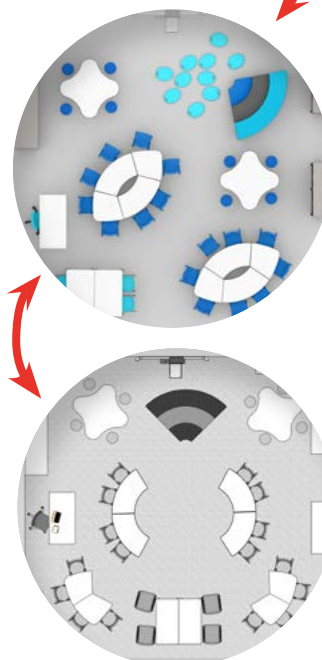

Fits 30 students (64 sqm footprint)

'Stagepoint' has an array of furniture solutions, all designed to support the way in which young students learn & play and caters for the variety of modes used within a lesson plan. Students are given a variety of destinations to choose from that help support groupwork, standing artwork/craft & intimate group 'get togethers'.

Clover Tables with Tik Tok Stools support creative work, whilst Postura® Focus Stools tuck neatly under Twist'n'Lock® Height Adjustable Rectangle Tables, supporting standing collaboration for Kindergarten through to Year 3.

Twist'n'Lock® Height Adjustable StingRay & Twist'n'Lock® Height Adjustable Crescent Tables work well together or also apart to create collaborative & intensive instruction settings for varying group sizes.

Cushpod Floor Cushions create a comfortable and colourful learning space, keeping students warm on the floor while listening to their teacher.

Key Product

Create bright and engaging learning spaces using our Cushpod Floor Cushions

Create a comfortable and colourful learning environment with our Cushpod Floor Cushions. Made out of polyurethane, Cushpods keep students warm and comfortable while sitting on the floor. Their built-in handle makes it very easy for students to pick up and carry to their indoor and outdoor lessons.

Perfect for libraries, classrooms and outdoor assemblies, Cushpods are a cool and novel way to improve student interaction and create engaging spaces.

Add personality to your spaces with our dynamic Tik Toks

Bright and funky, Tik Tok Stools offer an intelligent seating solution. Perfect for all types of learning spaces, the Tik Tok creates healthy sitting by improving body strength and encouraging mobility with its easy rocking motion, side to side, and backwards and forwards. Plus, it's compact, lightweight and has a recessed handle under the seat for easy movement.

Improve student engagement with this lively and playful seating solution.

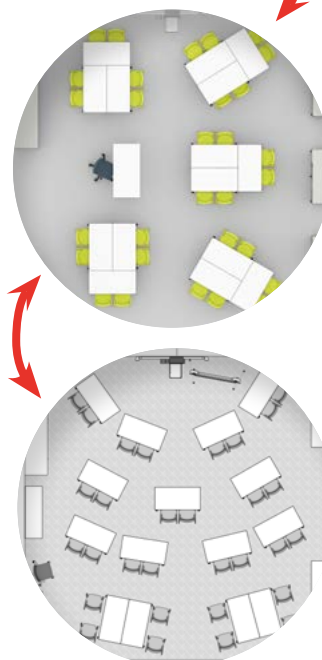

Select writable tops to add an extra dimension to your learning environment!

Perfect Pirouette

Fits 30 students (64 sqm footprint)

'Perfect Pirouette' creates a dynamic and engaging learning space. The linear shape and flexibility of the Pirouette Tables allows users to reconfigure the space and create curve demonstration, collaborative and discussion spaces with ease. The Pirouette is superbly mobile and also features a simple and convenient flip mechanism, great for ideation and presenting.

Pirouette is available with writable tops, allowing for an extra dimension of collaboration and demonstration in the classroom.

Creating the space:

- 1 **Pirouette Nesting Table** x 1
[1370mm(W) x 685mm(D) x 720mm(H)]
- 2 **Pirouette Nesting Tables** x 15
[1200mm(W) x 600mm(D) x 635mm(H)]

Warm Grey frame.

Reconfigure the space to keep it fresh and mix it up - Transition quickly between content delivery and demonstration to dynamic tiered groupwork!

Customise your learning space by choosing colours and options that suit you and your budget!

Ideal for Years 5-6 classrooms

Gallery Idea

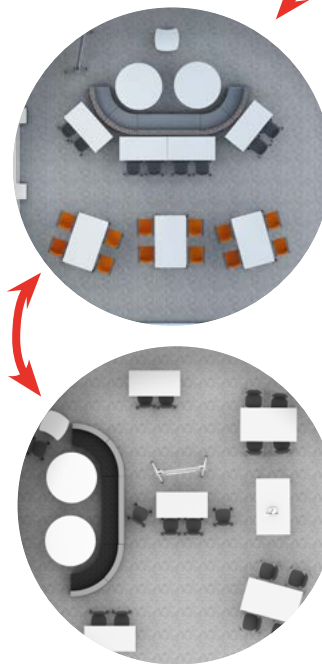

Fits 30 students (64 sqm footprint)

All students learn in their own way and comfort plays a big part in concentration. The 'Gallery Idea' allows students the freedom of personalising their own learning experience, choosing where to sit (or stand) on any given day!

The 'Gallery Idea' is the ideal hybrid space allowing for multiple transitions and configurations, giving you the flexibility and freedom to go from content delivery and demonstration to dynamic group work at ease.

The student can personalise their own learning space by choosing their preference for the day from sitting on our soft furnishing in a group setting to sitting at a table as a group or simply standing at the Create-A-Space Bench.

The 'Gallery Idea' is a tiered space, allowing for improved sightlines between student and teacher and enhancing student engagement.

Creating the space:

- 1 **Pirouette Nesting Tables** x 5
[1370mm(W) x 685mm(D) x 720mm(H)]
- 2 **Create-A-Space Benches** x 3
[1500mm(W) x 900mm(D) x 900mm(H) OR 955mm(H)]
- 3 **Intellect Wave Chairs** x 9
[4 leg on castors]
- 4 **Postura Plus® Stools** x 12
[Seat height 650mm]
- 5 **Big Softie Worm Ottomans on castors with low backrest, long edge** x 4
[1072mm(W) x 600mm(D) x 720mm(H); Seat height 430mm]
- 6 **Focus Pedagogy Tables** x 2
[1350mm diameter, Table height 710mm]
- 7 **Mobile Teachers Station** x 1
[Drawers or Door option available]
- 8 **Big Softie Bloc Ottoman on Castors with Low Backrest** x 1
[1800mm(W) x 600mm(D) x 720mm(H); Seat height 430mm]

Key Product

Freshen up your spaces with our Intellect Wave

Engineered to withstand the toughest classroom use, Intellect Wave Chairs are incredibly durable, and their clean visual form creates a fresh modern look.

The unique shell design has all the proper curves to support ergonomics and provide exceptional comfort. Its elliptical tubing provides superior strength and the lightweight polypropylene shells resist scratching, fading, chipping and denting. The result is classroom seating that looks great and gives you years of low maintenance service.

Our range includes

Intellect Wave Chair 4 leg on Castors

Intellect Wave Cantilever Chair

Intellect Wave Gaslift Chair

AVAILABLE IN A VARIETY OF FRAME STYLES AND SHELL COLOURS

Key Product

Add practicality to your spaces with our integrated Bookcase solutions

Ideal for libraries and common areas, our modular Bookcases are a clever extension of our Big Softies range, fitting perfectly into a huge range of settings.

Stylish and practical, they'll look great and provide you with ample storage space at the same time.

Library Time

'Library Time' is the ideal Primary Library space, creating a variety of inspiring places where students can explore, socialise and learn.

Our Big Softie settings create inviting social settings, where students can collaborate informally in groups, or work individually. Ottoman backs can be varied in height (low & high) to create additional private booths & vary sightlines.

Our integrated Bookcases are a clever extension of our Big Softies range, fitting perfectly into a huge range of settings, making them ideal for all your library needs without requiring a separate joiner to make it.

Creating the space:

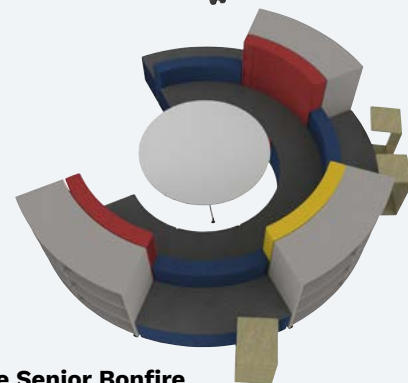

- 1 Big Softie Bloc Breakout Setting
- 2 Big Softie Bloc Banquette Setting with Integrated Bookcasing
- 3 Big Softie Bonfire Setting with Integrated Bookcasing
- 4 Little Softie Story Time Setting
- 5 Little Softie S-Curve Setting

Key Product

Proven products for Assembly Halls

Lightweight, stackable, linkable and seriously comfortable, our Postura® Plus and Progress Chairs have long been the go-to choices for schools and assembly halls.

Our mass seating chairs provide you with a generous sized seat for serious comfort and support for all your functions, student gatherings, events and learning activities.

Proudly Australian-made

Seriously comfortable and affordable mass seating with Postura® Plus

Cleverly designed for comfort and support, the Postura® Plus has a generous sized seat and linking capability making it perfect for school functions and hall seating.

Bringing people together using Progress

Proudly Australian made and unrivalled on durability and comfort, Progress is a no brainer when it comes to mass seating.

The versatility and flexibility of Progress is endless – we can link, add arms, add a tablet, add a seat or back pad, provide full upholstery or stamp/embroider your logo on the chairs!

Key Product

Award winning products, providing the ultimate in comfort and durability for auditoriums and lecture theatres

Our high performing spectator seating products have been the go-to choice for hundreds of stadiums, grand stands, lecture theatres and halls around the globe.

Applause

The ultimate in stadium and auditorium seating, Applause offers premium comfort and quality finishes. Perfect for any auditorium requirement.

Encore

Encompassing state-of-the-art manufacturing technology, Encore is designed for locations demanding improved seating concepts. Sensible and necessary options combined with Encore's comfort, durability, minimum maintenance and ease of installation will satisfy your highest expectations.

Podium

Podium's unparalleled award-winning design offers the highest quality spectator comfort, strength and durability. It continues to be the go-to choice for spectator seating, and lecture theatres.

Viva

The ultimate in flexibility, Viva's clever modular design means there is a model of Viva to suit any requirement. With sweeping curves and contoured body, Viva ensures maximum comfort and superior durability for all indoor and outdoor applications.

Proudly Australian-made and designed for superior comfort & durability

Popular Table and Chair Combinations

Our products are designed to work perfectly together, offering you the ultimate in flexibility and comfort

Sebel products are built to be robust, comfortable, good looking and functional – they're also designed for maximum flexibility and multi-modal applications. All our products work together as a system, allowing you to swap and change to suit your evolving learning environments.

Fabrics and Finishes Guide

Choosing fabrics and finishes has never been so easy. Use our guide to get the exact look you are after.

> [See page 56](#)

Colour Palette Ideas

We know that choosing a colour palette can be quite daunting, so we've done the hard work for you! Our team have created a selection of modern and engaging colour schemes that will look brilliant in your primary spaces.

> [See page 66](#)

The colours, fabrics and finishes contained within are subject to change without notice. Not all colour options are available on all Sebel products. Please contact our friendly customer service team for confirmation of colours. There may be slight variations in colour, texture and finish between printed colours and the actual product.

At Sebel, we believe great products make great spaces.

Ever since Harry Sebel decided children deserved something better, we've been focused on creating the best furniture we can.

Our products are designed to perform and provide lasting value to teachers and students as learning spaces and pedagogies evolve.

We're very proud of our products and we're always happy to have a chat about what might work best for you.
