

Pirouette Desk

Nesting Redefined | Versatile Functionality

The innovative articulating leg of the nesting tables is designed by Giancarlo Piretti, the Pirouette's clean design profile stands apart from standard nesting tables.

Offered in various shapes and base configurations, it supports learning, conference and many other applications while creating a consistent design aesthetic throughout a space.

FEATURES

- > Articulating legs to nest more desks into a smaller space.
- > Durable lockable castors make it easy to reconfigure and nest.
- > One handed side latch to allow easy flip and nest.
- > Writable surfaces, as an additional extra, allow both horizontal collaboration and upright presentations.

Tested to Static Load of 110kg
